Dear Bal,

Thank you for your volunteer services from August 2018 to June 2019 in assisting seniors, providing courtesy blood pressure checks, and participating in the many activities at the Redmond Senior Center. Your dedication and efforts are deeply appreciated.

We hope that your experiences in Redmond will be beneficial to you in achieving your goals to establish a Senior Center in Nepal. Also, we encourage you to continue to research and gather information in the Pacific Northwest.

The City of Redmond wishes you success with your endeavor.

Sincerely,

John Marchione
Mayor
